EXPERIENCE

Mastercard | St. Louis, MO | Software Engineering Intern

June 2025 – Present

- Analyzed millions of daily transactions on the SEND API to increase platform revenue by removing blocked accounts.
- Automated a Python program to check for these blocked accounts by processing the daily transactions and comparing them to the override data to continue development after my internship ends.
- Created an Agentic AI to process JSON files to output missing parameters and help correct them for acquirer onboarding.
- Learned Docker, Kubernetes, and developed a testing environment to demo a way to auto-scale faster.
- Placed 1st in Intern Capture the Flag and placed 2nd in the Global Innovation Challenge.

Boston College | Chestnut Hill, MA | Teaching Assistant

August 2024 – Present

- CSCI2271 Computer Organization, CSCI3349 Natural Language Processing, CSCI3356 Software Engineering.
- Help grade students' coursework, clarify concepts to students, and participate in class by providing examples from my experience.

iCode Dallas | Dallas, TX | Technical Lead

May 2024 – August 2024

- Managed account licensing for learning curriculums.
- Taught Python to junior high scholars.

Brookbollow Country Club | Dallas, TX | Lifeguard Supervisor

May 2021 – August 2023

- Managed check-in systems, member billing, and lifeguard rotations.
- Worked as a lifeguard, swim instructor, head lifeguard, and eventually became a supervisor during my time there.

ACTIVITIES

Boston College Club Running | Chestnut Hill, MA | President

August 2022 – Present

- Lead a team of over 50 members and 7 other E-Board members.
- Coordinate with other clubs, race directors, club management, and trainers to host a meet with over 400 attendees.
- Manage club finances and plan multiple multi-night trips for over 30 people.
- Compete in regional and national races and received Freshman-Sophomore All-American status at Nationals in 2022.

Ironman | Lake Placid, NY

July 21st, 2024

- Achieved a lifelong goal of completing an Ironman race, completing a 2.4-mile swim, 112-mile bike, and a 26.2-mile run in 12 hours, 12 minutes, and 27 seconds.
- Trained for six months, averaging 16 hours a week, and despite also getting a stress fracture in my foot, I found other ways to continue training and progress forward.

Service

Red Sox Foundation | Charity Fundraiser

November 2023 – April 2024

- Raised over \$10,000 for underprivileged communities in Boston for the 2025 Boston Marathon.
